PRIMARY EXAMINER

Claims 16-20 and 23-24 are allowed over the prior art of record and in light of applicants' arguments.

The amendment filed on 06/07/2006 has been entered.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 4/25/06 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Drawings

The drawings filed on 4/21/2004 have been accepted by the examiner.

The following is an examiner's statement of reasons for allowance: The prior arts of record fail to disclose a method of deploying a new software feature to a plurality of users comprising the following steps: setting a throttle value to a first proportion; selecting a first group of the plurality of users being in the first proportion to the number of the plurality of users; providing the feature to the first group; increasing the throttle value from the first proportion to a second proportion; selecting a second group of the plurality of users, the number of users in said second group being in said second proportion to the number of the plurality of users, wherein all users in said first group are included in the second group; providing the feature to the second group. These limitations including all the remaining limitations of the independent claims were not disclosed or suggested by the prior art of record

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
